

At Qu Appelle Medical Hall

THE LARGEST, THE BEST, THE MOST SUCCESSFUL Life Insurance Company in the World is THE MUTUAL LIFE INSURANCE COMPANY OF NEW YORK.

RICHARD A. MCGURDY, President.

ASSETS, JANUARY 1st, 1890, \$136,401,328.02
NEW BUSINESS IN 1889, 151,602,483.37
ANNUAL INCOME, 31,119,019.72

PURELY MUTUAL. NO STOCKHOLDERS.

No Other Company has Shown Results so Profitable and Gratifying to Policy Holders.

Its Policies are the Most Liberal and Desirable Issued.

It has paid to Policy-Holders since Organization, \$287,681,948.20.

The Twenty Year Distribution Policy issued by The Mutual Life Insurance Company is a Model Contract.

The Companies Policies are now held by 182,310 Members.

T. C. LIVINGSTONE, Winnipeg, General Manager.
E. G. MARWOOD, Local Agent.

THE IMPORTED ENGLISH SHIRE STATION. GRANITE 3d

(Registered in the English Shire Book, No. 7435, Volume 10.)

Will travel in the Qu'Appelle District for a limited number of approved names, during the season of 1890. Mares from a distance will be put down at 25 cents per week, and every care will be taken to avoid accidents, but all mares must be considered at owner's risk.

PERMITS, &c.

Sire Premier (2546), by What's Wanted (2332), Dam by Tors (29.9).

Granite was foaled in the year 1887, by Mr. A. E. Cooper, Normal, Ind. He is a grey, and is the winner of the 1st prize at Andover, England, and is a grey, and is a colt of unusual quality, with well shaped legs and feet.

Premier (2546), bred in the year 1880, by Mr. John Fisher, Lexington, Ky. He is one of the most impressive sires of the day. Mr. Samuel Spencer's excellent report of the 1886 London Show, in giving a list of the winning sires, states: "The most remarkable addition is Premier (2546), who with the aid of five yearlings and one three-year-old, disposes his rivals, and claims six winners." Again in the report of the 1887 Show, by the same writer: "For the second year in succession, Premier (2546), takes pride of place with seven winners." This stock, both sires and fillies, command extra-dummy high prices and are much sought after.

TERMS.

To insure, \$20; \$5 cash down, balance of \$15 payable 1st February, 1891 (satisfactory security being given), if the mare proves to be in foal. For the season, \$10, cash down. Bids will be accepted before the season commencing for particular terms. To prevent disputes, a copy for a minimum bid at once, to J. E. JOHNSON, Esq., at St. Paul, Minn.

Object:—To make people pay their bills who can and work. Change the terms, or non-payment, into a figure, having Attorney in every town, and are easily found out.

O. E. COLLINS, Gen'l Manager.

Feb. 1, 1890.

GREAT NORTHERN RAILWAY LINE.

With 3,200 miles of steel track it runs through 62 counties in Minnesota, North Dakota, South Dakota and Montana, reaching all principal points from St. Paul, Minneapolis, West Superior and Duluth.

It furnishes through close connections, the best and cheapest route to all points in Idaho, Utah, California, Oregon, Washington, British Columbia, Alaska, the Yukon, and the coast of Alaska.

It is the only American line west of Chicago having a track bed with 75 pound steel and equipping its entire main line with the latest and best rolling stock.

It is the only line running through the great Milk River Reservation, with solid trains without change to Chicago, Boston, Great Falls, Helena and Butte.

It is the only line penetrating the Turtle Mountain and Horse River sections of North Dakota.

It has three lines through the Red River Valley.

It is the best route from Winnipeg to Duluth, St. Paul, Minneapolis and the East and the South.

It is crossed a new route to Iowa, Nebraska, Missouri, Kansas, Colorado, and the Southwest via Sioux Falls, S. D.

For rates, tickets, maps and guides apply or write to E. J. WHITNEY, Gen'l Pass. and Ticket Agent, GREAT NORTHERN RAILWAY, St. Paul, Minn.

The Qu'Appelle Progress
IS A STRAIGHT
PROHIBITION PAPER,
Making the Cause of First Political
Importance.
Only One Dollar a Year in Advance.
FRIDAY, MAY 30, 1890.

Home & Gossip.
Little Local Links in the Town's
Chain of History.

QU'APPELLE.
—Rain again on Monday. Where
are the kickers and growlers?
—Qu'Appelle Masonic Lodge met
in regular communication last Tues-
day evening.
—Wall paper in profusion; New
patterns and low prices at the
Medical Hall.
—We have received a communi-
cation on Imperial Federation, but
too late for this issue. It will ap-
pear in our next.

—The Methodist church district
meeting was held at Regina on Tues-
day and Wednesday. Rev. J. Toze-
land represented this circuit.

—Mrs. E. W. Warner left on
Tuesday evening last for a visit to
Brockville, Ont. Mr. Warner ac-
companied her as far as Winnipeg.

—They say they had a big time
and grand fun at McLean on the
Queen's birthday, but our reporter
has not yet turned up with particu-
lars.

—Correspondents are requested
to hand in or mail correspondence
to THE PROGRESS on Monday pre-
vious to the issue in which they
wish their correspondence to appear.

—To keep up with their ever in-
creasing business, the Canadian Pa-
cific Telegraph company will double
their line from Donald to Winnipeg.
Work on the line will begin at once.

—Mr. G. S. Davidson knows not
only the value of advertising space,
but the right way to use it. He
hits the public between the eyes
every few weeks, and then he sells
the implements and other goods.

—Mr. Chas. Lindsay was in town
on Monday arranging for the enter-
tainment by Prof. Connery and Mr.
Chas. Kelly, the date of which has
been changed from the 2nd to the
4th June, Wednesday evening next.

—At the Queen's: J. Secord,
Regina; C. C. Lindsay, Qu'Appelle;
F. Aston, R. H. Chapman, W. H.
Bell, G. N. Dobie, R. M. T. Rowley,
F. Fitzgerald, Dr. Elliot, Grenfell,
P. C. Lloyd, Walseley; P. P.
Knight, Winnipeg.

—Thos. Grover, B. A., inspector
of public schools for West Assin-
boia, and a highly respected citizen
of Regina, died on Sunday evening
last at the age of fifty years. The
deceased had been in failing health
for several months, and after an at-
tack of la grippe last January, never
fully recovered. He leaves a wife
and two sons, the eldest aged fifteen.

—The inhabitants of the Elector-
al District of South Qu'Appelle are
requested to attend public meetings
to be held at the immigration build-
ing, Qu'Appelle, on Friday evening,
the 30th inst., at 20 o'clock, and at
the town hall, Indian Head, on Sat-
urday evening, the 31st inst., at 20
o'clock, for the purpose of discussing
Northwest questions and electing
delegates to attend a convention to
be held at Medicine Hat on 3rd and
4th June next, for the free and full
discussion of matters pertaining to
the Northwest Territories.

—At the Leland: P. Johnston,
Hamilton; W. Brantish, Warwick;
Eng. A. E. Lewis, J. Love, Winni-
peg; Mrs. Moore, St. Paul; M. S.
A. McLean, M. Mrs. M. Fergusson,
Mrs. A. Kerlitz, Fort Qu'Appelle;
T. B. Terrill, Cookshire, Que.; J. S.
Torrill, Montreal.

—The Dominion Government
have sent out notice that gopher
traps are to be supplied to settlers
on Dominion lands for use during
the season, the same to be returned
at the end of the fall. A requisition
for 300 has been made for this dis-
trict, and on their arrival they can
be obtained from the secretary of
the Agricultural Society, Mr. W.
Syne Rodpath, Qu'Appelle.

—Mr. F. Steele, of Steele &
Wing, photographers, Winnipeg, has
been meeting with such success
since he came to Qu'Appelle that he
has decided to remain until Wed-
nesday p. m., 4th June. We have
seen some photos of our townspe-
ople, taken by this artist since he
came, which are very creditable.
A large photo of Mr. W. B. Croshaw
is particularly good. Mr. Steele
will go out to Fort Qu'Appelle on
6th June and remain a few days.

—QU'APPELLE CRICKET CLUB.
—The first match of the season was
played on Saturday last, the 24th
inst., in very unfavorable weather.
The visitors, the Grenfell eleven,
met with their usual success, win-
ning the game on the first innings
by 21. Unfortunately a late start
was made, and then the rain in the
afternoon interrupted play, so that
only 5 wickets were down in the
second innings, when time was
called. Mr. Chapman and the Rev.
G. N. Dobie made the long scores
for the Grenfell eleven, and Messrs.
B. Wildman and G. Purches for the
home team. The total scores were,
Grenfell, 117, Qu'Appelle, 96. A
match is arranged for next Sat-
urday, May 31st, with Fort Qu'Ap-
pelle C. C., to be played on the
home ground.

—Prof. Connery and Mr. Chas.
Kelly, under the management of Mr.
Chas. C. Lindsay, will give one of
their excellent entertainments in the
opera house on Wednesday evening
next, the 4th June. It is seldom
that THE PROGRESS recommends its
readers to attend travelling shows,
as they are frequently inferior and
the performers little better than
tramps in character. But when a
first class company is coming we are
pleased to encourage the public to
patronize them. Wherever Prof.
Connery and Mr. Kelly have ap-
peared they have been highly
spoken of by the newspapers. This
is an entertainment that will be am-
using, elevating and instructive, and
of such a character that the most
fastidious will not be able to find
fault. We believe they will have a
full house.

FOR COLDS OR PAIN.
Yellow Oil is the best remedy I ever knew.
I had a healing throat 15 months ago, which
was very sore. I got no relief until I tried
Hagar's Yellow Oil, which gave instant re-
lief.

MRS. JOHN CURETTE, St. Mary's, Ont.
For cough, croup or cold use Yellow Oil.

THE CRADLE.

SHERIFF'S SALE

Northwest Territories,

Judicial District of Western Assiniboia.

To Wit:

By virtue of a Writ of Execution, issued
out of the Supreme Court of the North
West Territories, Judicial District of West-
ern Assiniboia, at the suit of S. H. Caswell,
and to me directed against the Lands and
Tenements of J. W. Johnson and
Thomas C. Grover, I have seized and taken
into Execution at the right, title and inter-
est of the said J. W. Johnson to and in the
following lands, to-wit: sections namely:
The north half of the north west quarter of
section thirty two (32) in township seventeen
(17) in range thirteen (13) west of the sec-
ond (2d) principal meridian in the North
West Territories, which said right, title and
interest I have offered for sale on SATURDAY,
the 31st day of May, 1890, at my office in
the Court House, in the town of Regina, at
the hour of twelve o'clock noon.

JAMES H. BENSON, Sheriff.
Sheriff's Office,
Regina, February 24, 1890.

NOTICE.

SEALED TENDERS, marked "Tenders
for the supply of Beef," will be received
at this office up to noon of Thursday, 5th
June, for the supply during the proximate
fiscal year, ending the 30th June, 1891, of
any proportion, not less than 3000 lbs. of the
following quantities, (which may be increased
or decreased by the undersigned), of fresh
beef, to be delivered of the quality required by
and in accordance with the custom of the
Department, full particulars of which, to-
gether with forms for tender, can be obtained
from this, or any of the undesignated
agency offices:

Poorly	2,000 lbs.
Moose Mountain	5,000 "
Crooked Lake	21,570 "
Assiniboia	12,900 "
File Hills	4,450 "
Townhead Hills	20,000 "
Macswamp's	12,850 "
Duck Lake	15,000 "
Cardell	15,000 "
Battleford	36,210 "

Industrial Schools.

Qu'Appelle 37,200 "

Battleford 24,800 "

Each tender must be accompanied by an
accepted cheque in favor of the undersigned,
or the equivalent in cash, for 5 per cent.
of its value, which will be forfeited if the party
tendering fail to enter into, or to furnish ap-
propriate security for the fulfilment of a con-
tract, when called upon to do so, for the
whole or any portion of the tender, or to
complete the same.

The lowest or any tender not necessarily
accepted.

HAYTER FEED,
Indian Commissioner,
Indian Office, Regina, 1st May, 1890.

TENDERS.

SEALED TENDERS, marked "For
Mounted Police Provisions and Light
Supplies," and addressed to the Honorable
the Minister of Railways and Canals, Ottawa,
will be received up to noon on Tuesday, 3rd
June, 1890.

Printed forms of tender, containing full in-
formation as to the articles and approximate
quantities required may be had on applica-
tion at any of the Mounted Police Posts in
the Northwest, or at the office of the un-
derigned.

No tender will be received unless made on
such printed forms.

The lowest or any tender not necessarily
accepted.

Each tender must be accompanied by an
accepted Canadian bank cheque for an
amount equal to ten per cent. of the total
value of the articles tendered for, which will
be forfeited if the party declines to enter in-
to a contract when called upon to do so, or
if he fails to complete the service contracted
for. If the tender be not accepted the
cheque will be returned.

No payment will be made to newspapers
inserting this advertisement without autho-
rity having been first obtained.

FRED. WHITE,
Comptroller N. W. M. Police,
Ottawa, April 22nd, 1890.

materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made of the best materials and is of the most accurate construction. It
is a fine specimen of the art of watch making. It is made of the best
materials and is of the most accurate construction. It is a fine specimen
of the art of watch making. It is made of the best materials and is of
the most accurate construction. It is a fine specimen of the art of watch
making. It is made of the best materials and is of the most accurate
construction. It is a fine specimen of the art of watch making. It is
made
